**It has become increasingly evident while working with in-service and pre-service teachers that educators are seeking meaningful solutions to teaching and learning. *Engaging Students: Using the Unit in Comprehensive Lesson Planning* provides the solution. Beirne and Velsor have constructed a new method to design, implement, and manage teaching and learning that blends the tenets of Constructivism, Bloom’s Taxonomy, and Multiple Intelligence Theory—including their updates and revisions. The Unit introduces a systematic method of teaching and learning that assists educators at all levels in the implementation of this comprehensive approach to learning in a natural way. Providing direct instruction to educators in regard to the thorough planning of a unit and lessons with a special focus on objectives and assessments, *Engaging Students* is**

**comprehensive and incorporates historical perspectives with cutting edge ideals.**
