The Aquarian Gospel of Jesus the Christ (Eastern Philosophy and Religion) Levi Dowling

This visionary text professes to tell the complete story of Jesus' life, including the "lost" years, during which he traveled and studied in Tibet, Egypt, India, Persia, and Greece. First published in 1908, this mystical work is the cornerstone of a Christian denomination, the Aquarian Christian Church Universal, and it offers intriguing, controversial assertions about Christ's message.

Jesus was conceived by a human father, author Levi Dowling states, and by effort and prayer rendered himself a fit vessel for "the Christ" — the model for human existence and ultimate salvation. Dowling, who devoted forty years of preparation to the task of transcribing this volume's contents from original Akashic records, further asserts the reality of reincarnation and its culmination in the perfection of the human soul. Tracing Jesus' life from his birth in Bethlehem to his ascension from the Mount of Olives, Dowling offers complete details concerning the savior's years among monks, wise men, and seers throughout the Orient. Readers with an interest in occult lore and the history of religion will find this remarkable volume a source of endless fascination.
