## **Questioni mortali (La piccola cultura) (Italian Edition)** Thomas Nagel

Questioni mortali raccoglie gli interventi più incisivi di Thomas Nagel – uno dei massimi esponenti della filosofia analitica statunitense – sui dilemmi fondamentali che interessano il senso, la natura e il valore dell'esistenza umana. La gamma dei temi affrontati è ampia e ricca di implicazioni concrete: dalla vita privata a quella pubblica; dai grandi quesiti di metafisica, filosofia della mente e teoria della conoscenza ai rapporti tra biologia e etica; dai nostri atteggiamenti nei confronti della morte e dei comportamenti sessuali fino all'ingiustizia sociale, alla guerra e al potere. Filo conduttore del pensiero di Nagel è il continuo riemergere delle domande di fondo sul valore, il significato, il fine e la fine della vita mortale. Interrogativi affascinanti e insieme angoscianti, a cui è impossibile rispondere in maniera univoca, se non cadendo nell'illusione o nell'indifferenza. Come argomenta il noto saggio «Che effetto fa essere un pipistrello?», le teorie materialiste sul funzionamento del pensiero umano trascurano l'elemento della coscienza: la percezione della nostra realtà di essere umani. Gran parte delle difficoltà che incontriamo in vita dipende da una concezione limitata o erranea dell'identità e della libertà personali. Discutendo impostazioni etiche differenti – l'utilitarismo, l'intuizionismo, la teoria libertaria dei diritti e quella della giustizia di Rawls –, questi saggi propongono di incorporare i risultati teorici della ricerca filosofica nel contesto della conoscenza di sé. La consapevolezza, teorica e pratica, dell'inevitabile tensione fra i nostri impegni etici e la varietà di punti di vista possibili sul mondo e su noi stessi – tra giustizia e giustezza – è l'unica via per orientarsi fra quelle che per la nostra società sono letteralmente questioni «di vita o di morte».

#### **Christopher Williams:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach

Chinese's country. Therefore this Questioni mortali (La piccola cultura) (Italian Edition) can make you sense more interested to read.
