The truth will test you...

For fans of *Game of Thrones* and *The Hunger Games*: high fantasy and dystopia meet in this high-stakes tale of a civilization built on lies and the girl who single-handedly brings it down.

When Eva's twin brother, Eamon, falls to his death just a few months before he is due to participate in The Testing, no one expects Eva to take his place. She's a Maiden, slated for embroidery classes, curtsies, and soon a prestigious marriage befitting the daughter of an Aerie ruler. But Eva insists on honoring her brother by becoming a Testor. After all, she wouldn't be the first Maiden to Test, just the first in 150 years.

Eva knows the Testing is no dance class. Gallant Testors train for their entire lives to search icy wastelands for Relics: artifacts of the corrupt civilization that existed before The Healing drowned the world. Out in the Boundary Lands, Eva must rely on every moment of the lightning-quick training she received from Lukas—her servant, a Boundary native, and her closest friend now that Eamon is gone.

But there are threats in The Testing beyond what Lukas could have prepared her for. And no one could have imagined the danger Eva unleashes when she discovers a Relic that shakes the Aerie to its core.

From reader reviews:

Maria Lacher:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these people keep up with the era that is always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice for yourself but the problems coming to you actually is you don't know what type you should start with. This Relic (The Books of Eva I) is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Veronica Gregor:

Nowadays reading books be than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The information you get based on what kind of reserve you read, if you want attract knowledge just go with training books but if you want really feel happy read one together with theme for entertaining such as comic or novel. Often the Relic (The Books of Eva I) is kind of e-book which is giving the reader erratic experience.

Gilbert Westmoreland:

Many people spending their time period by playing outside along with friends, fun activity together with family or just watching TV the entire day. You can have new activity to invest your whole day by examining a book. Ugh, you think reading a book can really hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like Relic (The Books of Eva I) which is having the e-book version. So , why not try out this book? Let's notice.

Florence Ross:

In this era which is the greater individual or who has ability in doing something more are more important than other. Do you want to become certainly one of it? It is just simple method to have that. What you have to do is just spending your time little but quite enough to have a look at some books. One of many books in the top list in your reading list will be Relic (The Books of Eva I). This book which is qualified as The Hungry Hillside can get you closer in getting precious person. By looking up and review this reserve you can get many advantages.
