Whether interested in Latin or just seeking a deeper understanding of English, readers will find a fun alternative to the standard dusty tomes usually associated with Latin. Included in this revised edition are updated vocabulary lists relevant to today's world, expanded pronunciation guides, Latin-to-English and English-to-Latin translation, and a workbook of exercises, reading passages, and tools for greater comprehension of the language.

In 2002, the number of high school students taking Latin tests for college credit had risen 95% since 1993.

According to CNN, educators are increasingly turning toward Latin to improve student performance in reading, math, and science.

Perfect reference tool for Law School, medical school, music school, and other graduate school students faced with getting through a Latin course as a requirement.
