The Hoax Clifford Irving

The ultimate caper story, novelist Clifford Irving's no-holds-barred account of the literary hoax that stunned the publishing world, is the story of his faked "autobiography" of Howard Hughes. HOAX was first published in Great Britain in 1997, where it became a bestseller. But no American hardcover house would touch THE HOAX until now. One major publisher offered a \$500,000 advance when the book was nearing completion, drew up the contract...then abruptly bowed out. Why? The answer is implicit in this classic tale of daring, treachery, and corruption. As fast-paced and exciting as any spy novel, it involves the reader at every devilish twist and turn. Clifford Irving tells how the hoax developed, like a Chinese puzzle, from its madcap beginning to the final startling confession--a witty and nail-biting story of international intrigue and beautiful women, of powerful corporate executives and jet-set rogues, of cover-ups and headlines.
