The Song of Eros: Ancient Greek Love Poems

The Song of Eros: Ancient Greek Love Poems

This collection of new translations of eighty poems provides a pleasant, thought-provoking reminder of love's vagaries as captured through the wit, charm, and insight of the master poets of antiquity.

All the emotions and experiences associated with love—rejection, infatuation, ecstasy, desperation, loneliness—are rendered accessible to contemporary readers through this lively, modern, yet faithful English translation of works that date from the seventh century B.C. to the sixth century A.D. Illustrations accompany the poetry of Plato, Sappho, Stratto, Meleagros, and others, capturing both the flavor of the age and the theme of the texts.
