As a rising medical malpractice attorney, Charlotte Taylor believes in standing up for the injured, giving them a voice, and advocating for their rights. She couldn't do it for her mother, so she does it for others, even if it means losing the love of her life. Dr. Clayton Montgomery believes in working hard and playing even harder, until he reconnects with Charlotte. Barely noticing her crush when he tutored her ten years ago, Clay has a chance to make up for lost time when the beautiful lawyer comes back into town...until he discovers her chosen career path. Now, philosophical differences soon become a reality and Charlotte is faced with the choice of representing a client against the hospital and against Clay. Will Charlotte give up her career and her tribute to her mother for a second chance with the man who got away?
