Convergence of Telecommunications and Broadcasting in Japan, United Kingdom and Germany: Technological Change, Public Policy and Market Structure (Waseda/Curzon International Series, 1)

Koichiro Agata, Kiyoshi Nakamura

The convergence of telecommunications and broadcasting raises many questions. What form will convergence take in the future? When convergence produces new opportunities in the information, education and entertainment markets, what sort of rules of the game will be required? How will the players behave in these new markets? What policies might be needed?
