La vez entre después y ahora (Cronicas apatridas) (Spanish Edition) Víctor Ramírez Rodríguez

La vez entre después y ahora es un relato polifónico en el que la fragmentación del discurso en bloques separados casi fija y secunda la alternancia de diversas voces y perspectivas que a su vez unen de forma fluida descripciones, diálogos y monólogos. El autor, además, articula sabiamente varios planos temporales, entre flash-back y saltos, primeros planos y fondo. Para el novelista, cuya mirada es esencialmente histórica, el origen del relato está en la confrontación de dos culturas que conviven en rencoroso conflicto: el episodio de una colonización interminable. De ahí que sus respectivos lenguajes aún mantengan sus viejísimas diferencias, presos de la repetición; el del uno es altanero y provocador; el del otro, humilde y necesariamente transigente. Son dos invariantes que se reencuentran en un tiempo circular.
