Hay Collection is an omnibus of her most loved books – You Can Heal Your Life, Heal Your Body and The Power is Within You. You Can Heal Your Life is a New York Times bestseller with over 39 million copies sold worldwide. Louise’s key message in this powerful work is that ‘if we are willing to do the mental work, almost anything can be healed.’ She explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking . . . and improve the quality of your life. In Heal Your Body, Louise describes the methods she used to cure herself of cancer more than 20 years ago. Using her simple and practical techniques, you will be surprised to discover patterns in your own ailments that reveal a lot about yourself. This handy ‘little blue book’ offers positive new thought patterns to replace negative emotions, an alphabetical chart of physical ailments with their probable causes as well as healing affirmations to help you eliminate old patterns. The Power Is Within You expands on Louise’s philosophy of ‘loving the self’ and shows you how to overcome emotional barriers through learning to listen to your inner voice, loving the child within and letting your true feelings surface. Focusing on building emotional and mental immune systems, she encourages the reader to think of themselves positively and be more accepting and grateful for who they are. The Golden Louise L. Hay Collection is the perfect read for those seeking insights to the mind body connection and the miraculous benefits of this dynamic as well as for those who want the pleasure of knowing that their favorite Louise Hay books are finally together in one place.
