**Yo, Presidente/a. Lecciones de liderazgo de cinco gobernantes (Spanish Edition)** Paula Escobar Chavarría

Cuando se dice que Chile es uno de los países más presidencialistas del mundo se suele omitir el hecho de que quienes acceden a ese cargo sienten sobre sí la responsabilidad de la República. La investidura es lo que une a un providencialista como Patricio Aylwin con un republicano como Ricardo Lagos, a un católico como Sebastián Piñera con una laica como Michelle Bachelet. Eduardo Frei Ruiz-Tagle es quizás el caso donde estas dimensiones son más agudas, porque vivió su juventud como hijo de uno de los presidentes más solemnes de la historia, Eduardo Frei Montalva. De eso trata este libro, explorar en las distintas formas de liderazgo que estos cinco presidentes representan y quienes, sustentados en experiencias y convicciones personales, debieron adaptarse a las condiciones históricas. Este libro pone en evidencia que, si es cierto que la vocación de liderazgo resulta esencial para llegar al poder en Chile, tanto o más cierto es que la institución de la Presidencia determina por sí misma varios de los rasgos esenciales que tendrá ese liderazgo.
