Find the peace and hope that awaits you once you overcome your fears.

During times of uncertainty, people are looking for answers to their fears as they see things like finances, relationships, and hope crumble around them. But God doesn't intend for His people to live in fear. He wants us to overcome fear and find peace, even in the midst of the aftermath.

Previous study guides on similar topics have helped women learn how to overcome their fears, but none have answered the most important next question: "Now what?" Where do women go once they've left fear behind? What's the next step?

Finding Peace Beyond Your Fears will help women find the peace and hope that God has planned for them.
