Toddlers Meg and Ted discover so much in a day! "Today is a good day to stand on one foot . . . Today is a good day to look at a foot. Today is a good day to eat our favorite food . . . and today is a good day to try something new." In the course of a day, young children encounter a wide range of experiences and emotions. This book captures the sense of wonder felt by all children as they explore the world with their zenlike focus. The book's simple text and old-fashioned art style evoke the gentle look and feel of antique children's books, but with a fresh twist that is very much of . . . today.
