Fold stunning geometric sculptures.

From the Origamido Studio and world renowned origami artists Michael G. LaFosse and Richard H. Alexander, comes the paper craft ebook *Modular Origami Paper Pack*. In this modern form of amazing 3D origami design, modular origami is the art and technique of folding multiple sheets of paper and then combining and interlocking them to create a larger composite geometric model—the results are truly astounding!

This origami paper pack includes:

- A full-color instructional booklet
- 6 fun origami projects
- Clear step-by-step instruction
- Easy-to-follow diagrams

The individual modules are folded separately and then assembled to form larger constructions typically by inserting tabs into specially created pockets. Friction and tension between the tabs and pockets hold the models together so no scissors or glue are required—folders can start right immediately! An affordable ebook, *Modular Origami Paper Pack* is great for any modular paper folder and for those who want to get started in crafting these eye-catching geometric origami models.
