Occasion of Revenge Marcia Talley

The bride thought they'd live happily ever after — until a murderer struck....

The guests were off the wall. The would-be groom was off the wagon. And the bride certainly wasn't blushing.

Aside from that, it was the perfect occasion: a party for Hannah Ives's widowed father and the younger woman he had suddenly decided to marry. Then the evening takes a strange turn, with a sudden death and disappearance.

For Hannah, the stunning turn of events came after a Christmas season slide into anger and confusion. First her father had found a floozy who had already buried three husbands. Then her late mother's jewelry started showing up around the gold digger's neck.

Now Hannah, who has just put her life together after a bout with cancer, is desperately searching for her missing father. Because this poor man has either made a terrible mistake, committed a terrible crime, or fallen victim to a killer who seized the moment for murder....
