## **Purgatorio (Spanish Edition)** Eloy Martínez Tomás

«Tomás Eloy Martínez afirma su lugar entre los mejores escritores de América Latina.» The New York Times En el invierno de 1976 Simón Cardoso es detenido por los militares que impusieron una dictadura sangrienta en Argentina, y nunca más aparece. Treinta años después, su mujer Emilia Dupuy, se paraliza al oír su voz en una fonda de suburbio en New Jersey. El mundo, que se había desmoronado con la tragedia, recobra su luz. A partir de ese enigma, Purgatorio enlaza la ansiedad del amor perdido y recuperado con una reconstrucción magistral de la irrealidad siniestra creada por el régimen. Tomás Eloy Martínez vivió en el exilio y escribió este relato conmovedor e inolvidable en busca de la memoria que no pudo tener. Con maestría avanza sobre la débil línea entre verdad e ilusión, y expande la novela más allá de los límites del género. Un lenguaje sobrio al servicio de una historia tan extraña como intensamente real da como resultado la mejor obra de un autor señalado como clásico por la crítica internacional.
