## **Roy's House** Susan Goldman Rubin

Welcome to Roy's house! Come on in and take a look around. There is a big sofa with room for lots of friends, three red fish swimming in a bowl, a yellow chair for reading, and, of course, Roy's studio, filled with paintbrushes. Susan Goldman Rubin pairs her simple narrative style with the energetic works of Roy Lichtenstein to create an early concept book that is also a fun and accessible introduction to one of the twentieth century's most iconic artists. Plus, this is the fixed format version, which looks almost identical to the print edition.
