Saltergate Psalter Chris Nickson

1361: John the Carpenter, married and soon to become a father, has plenty of work to keep him busy in Chesterfield. But when the town coroner demands his help to solve the death of an elderly man who had survived both the plague and famine, John becomes embroiled in a case with many twists and turns. When the suspected murderer is in turn found dead, and a valuable book of Psalms vanishes, John has to discover who the real killer might be. But very soon he discovers nothing is as it seems. 'Chris Nickson works his usual magic, populating late medieval Chesterfield with characters that are clearly of their time and yet jump off the page, vibrant and familiar. The icing on the cake (or the jeweled cover on the exquisite psalter) - a fiendishly clever puzzle. Highly recommended!' Candace Robb, author of the best-selling Owen Archer mysteries
