The Drowning Ground: A Novel James Marrison

Out here, in the quaint ceaseless calm of an English village, it is hard to imagine a life beyond. From the outside, everything seems to make sense. Everything has its place.

My friends are open and unsuspecting. There is none of the natural suspicion of the Argentinian. . . For me, it's unbelievable in a way.

For two decades after being forced to leave his native Argentina, Detective Chief Inspector Guillermo Downes has sought tranquility in the orderly life of the English Cotswolds. But violence can strike just as suddenly in the countryside as it can in Buenos Aires.

When the body of wealthy landowner Frank Hurst is found with a pitchfork through his neck, it brings back disturbing memories of former mysteries. Hurst's wife drowned in their swimming pool-an official accident, though many villagers have their doubts. And what about the two young girls who were abducted years before, with some possible links to Hurst that were never proven?

"It's something truly terrible to make someone disappear," Downes tells his partner. Because the family never know, you see." Years ago he had promised the vanished girls' mothers to find their daughters, and as the ripples from Hurst's death spread through the village, there is fresh hope that he might finally make good on that promise, no matter what it costs the community or himself.

With the kind of insights into life in a seemingly peaceful village that made *Broadchurch* so powerful, James Marrison's *The Drowning Ground* introduces a terrific new voice in crime fiction.

John Martin:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Drowning Ground: A Novel can make you experience more interested to read.

Jack Bell:
