Citizens of Hope Leader Guide: Basics of Christian Identity (The Basics) Clayton Oliphint, Mary Brooke Casad

Hope is central to our identity as Christians. Just as our bodies need food, our souls need hope, and the supreme hope is found in a relationship with Jesus Christ. How does that relationship become real to us? In this book and 4-week study, readers are guided on a formative path of understanding who God is and who they are as God's children.

This Leader Guide includes everything a group leader needs to plan and facilitate the four sessions, helping participants to explore what they have read and to discuss the reading with the group. The guide walks leaders through the study format and provides options for tailoring sessions to the time-frame and style of each group.

Citizens of Hope is part of The Basics Series.
