## **Guía de adopción internacional de la A a la Z (Spanish Edition) Javier De Castro Jiménez**

"Esta guía recoge todos los aspectos que de alguna manera están relacionados con la adopción; así, contiene los requisitos de cada país, la legislación estatal y autonómica, las tramitaciones de expedientes, direcciones de las agencias de adopción y organismos de interés, consejos médicos y jurídicos, y testimonios de familias, todo ello ordenado de la A a la Z para que el lector pueda elegir cada vez aquello que más le interese. La tramitación de expedientes de adopción internacional supone hoy una garantía para los niños y sus adoptantes, y, además, la integración de menores de otras razas en la sociedad multicultural en que se ha convertido España."
