Jewish Identities in American Feminist Art: Ghosts of Ethnicity

Lisa E. Bloom

Jewish Identities in American Feminist Art: Ghosts of Ethnicity Lisa E. Bloom

Featuring sixty-seven illustrations, and providing an important reckoning and visualization of the previously hidden Jewish 'ghosts' within US art, *Jewish Identities in American Feminist Art* addresses the veiled role of Jewishness in the understanding of feminist art in the United States.

From New York city to Southern California, Lisa E. Bloom situates the art practices of Jewish feminist artists from the 1970s to the present in relation to wider cultural and historical issues.

Key themes are examined in depth through the work of contemporary Jewish artists including:

- Eleanor Antin
- Judy Chicago
- Deborah Kass
- Rhonda Lieberman
- Martha Rosler and many others.

Crucial in any study of art, visual studies, women's studies and cultural studies, this is a new and lively exploration into a vital component of US art.
