Puntos de vista I (Spanish Edition) Adriano Marqués de Magallanes

La clasificación de los artículos aquí recogidos no es fácil, pues la mayoría de ellos trasciende a una finalidad determinada. No obstante, para orientar al lector, el propio autor los ha sistematizado en tres grandes secciones.

En la primera, denominada “España y Portugal”, se agrupan artículos políticos, culturales y sociales íntimamente vinculados a ambos países. La segunda, intitulada “Temas Iberoamericanos”, contiene muchos artículos sobre el continente hermano, que traslucen la prolongada vocación iberoamericana del autor. En ellos se recogen luminosos análisis sobre las vicisitudes políticas de las naciones que lo integran hasta llegar al actual equilibrio democrático. Especial atención han merecido al autor los temas cubanos, tan entrañablemente unidos a la sensibilidad y a la historia gallega. Por último, en la sección “Otros temas”, se recogen artículos sobre la política internacional y los acontecimientos sociales y culturales más señalados de los últimos años, desde los desastres de las guerras regionales hasta la desolación que actualmente sufren varios países africanos. También figuran otros artículos dedicados a la ética política y social, considerados en su alcance más general (...)

Adriano Marques de Magallanes ha querido dejar constancia de su contribución intelectual a la resolución de los problemas de nuestra sociedad durante muchos años de exigencia y de trabajo. Esto es lo que más claramente aparece detrás de la preocupación por los problemas de nuestro tiempo, que el autor deja reflejada en los artículos recogidos en este libro”.

MANUEL FRAGA IRIBARNE (Prólogo).
