D.H. Lawrence

D. H. Lawrence The Dover Reader (Dover Thrift Editions) D.H. Lawrence

D. H. Lawrence (1885–1930) created controversial works that explore the dehumanizing effects of modern life. But in his lifetime the novelist, poet, playwright, and essayist was regarded as little more than a pornographer. Today Lawrence is praised for his artistic vision as well as his integrity, and his books and other writings rank among the English literary canon.

This anthology presents the complete text of Lawrence's masterpiece, *Sons and Lovers*. Additional features include an essay, "Psychoanalysis and the Unconscious," and the short stories "The Prussian Officer," "Odour of Chrysanthemums," and "England, My England." Additional selections include "Snake" and other poems.
