**Star Magic [The Xephon Alliance 7] (BookStrand Publishing Mainstream)** Karly Maddison [BookStrand Futuristic Sci-Fi Older Hero Romance, HEA] Earthling, Annie Anster, the best alien language interpreter the Xephon-Alliance has, is scheduled on a mission with her old nemesis, the alien commander, Kel-Vyren. He's continually interfered in her life since she's known him and she's terrified he'll throw her off the mission as soon as he finds out she's on it. Her agitation rises as soon as they meet and he's not too pleased to see her either. However a sudden impromptu kiss between them unsettles her further and changes everything. She finally admits to herself she's always either loathed him or worshipped him over the years. When they crash land on an alien planet and are pair-bonded by a nomadic tribe, Annie realizes how much he really means to her. But does such a pair-bonding have any credence in the real world when they return home? And how could he possibly want her when he seems to admire the beautiful and exotic Captain Zamara of Xephon so much? \*\* A BookStrand Mainstream Romance
