What's Next After Now? Post-Spirituality and the Creative Life Steven Harrison

Spiritual seekers by the thousands have come to the end of the masters and gurus, the religions and philosophies, and the process of getting better. They have discovered the timeless present and the power of marketing the “now.” But what’s next after now? When you give up spirituality — not out of a reaction or because you’ve completed some mythic journey—and you drop into the present, what is the post-spiritual reality and how do you live it creatively? “Can we create by sourcing the actual as the foundation, change as the template, and what is next as the unlimited field of possibility? Creating, in this respect, is not science fiction or speculation, although it may read like that, but it is the engagement of our actual lives in the challenge of what is next. If this full-collision life is not compelling, then the consideration of what is possible in life will remain an entertaining fiction. If we are prepared to ride the wave of possibility rather than stand in its way, we can begin to create what
