Back Yonder: An Ozark Chronicle

Charles Wayman Hogue

Back Yonder: An Ozark Chronicle Charles Wayman Hogue

Wayman Hogue's stories of growing up in the Ozarks, according to a 1932 review in the New York Times, "brilliantly illuminate mountain life to its very heart and in its most profound aspects." A standout among the Ozarks literature that was popular during the Great Depression, this memoir of life in rural Arkansas in the decades following the Civil War has since been forgotten by all but a few students of Arkansas history and folklore.

Back Yonder is a special book. Hogue, like his contemporary Laura Ingalls Wilder, weaves a narrative of a family making its way in rugged, impoverished, and sometimes violent places. From one-room schoolhouses to moonshiners, the details in this story capture the essence of a particular time and place, even as the characters reflect a universal quality that will endear them to modern readers.

Historian Brooks Blevins's new introduction explores the life of Charles Wayman Hogue, analyzes the people and events that inspired the book, and places the volume in the context of America's discovery of the Ozarks in the years between the World Wars. The University of Arkansas Press is proud to reissue *Back Yonder* as the first book in the Chronicles of the Ozarks series, making this Arkansas classic available again, ready to be discovered and rediscovered by readers sure to find the book as interesting and entertaining as ever.

From reader reviews:

Steven Tran:

Book is definitely written, printed, or descriptive for everything. You can recognize everything you want by a guide. Book has a different type. As we know that book is important factor to bring us around the world. Next to that you can your reading skill was fluently. A book Back Yonder: An Ozark Chronicle will make you to always be smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think in which open or reading any book make you bored. It is not make you fun. Why they could be thought like that? Have you searching for best book or suited book with you?

Herman Ovalle:

Exactly why? Because this Back Yonder: An Ozark Chronicle is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such remarkable way makes the content inside of easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking method. So , still want to hold up having that book? If I ended up you I will go to the reserve store hurriedly.

John Vandorn:

Your reading 6th sense will not betray you actually, why because this Back Yonder: An Ozark Chronicle book written by well-known writer who really knows well how to make book that may be understand by anyone who else read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your personal hunger then you still question Back Yonder: An Ozark Chronicle as good book not just by the cover but also with the content. This is one book that can break don't determine book by its protect, so do you still needing an additional sixth sense to pick this particular!?! Oh come on your examining sixth sense already alerted you so why you have to listening to yet another sixth sense.

Michael Sweet:

Some people said that they feel weary when they reading a book. They are directly felt that when they get a half elements of the book. You can choose the actual book Back Yonder: An Ozark Chronicle to make your own personal reading is interesting. Your own skill of reading ability is developing when you including reading. Try to choose simple book to make you enjoy to read it and mingle the opinion about book and reading especially. It is to be initially opinion for you to like to wide open a book and learn it. Beside that the reserve Back Yonder: An Ozark Chronicle can to be your brand-new friend when you're feel alone and confuse in doing what must you're doing of this time.
