Copyright Exceptions: The Digital Impact (Cambridge Intellectual Property and Information Law)

Robert Burrell, Allison Coleman

This book was first published in 2005. Copyright 'exceptions' or 'users' rights' have become a highly controversial aspect of copyright law. Most recently, Member States of the European Union have been forced to amend their systems of exceptions so as to comply with the Information Society Directive. Taking the newly amended UK legislation as a case study, this book examines why copyright exceptions are necessary and the forces that have shaped the present legislative regime in the UK. It seeks to further our understanding of the exceptions by combining detailed doctrinal analysis with insights gained from a range of other sources. The principal argument of the book is that the UK's current system of 'permitted acts' is much too restrictive and hence is in urgent need of reform, but that paradoxically the Information Society Directive points the way towards a much more satisfactory approach.

Kevin Miller:

Is it anyone who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This Copyright Exceptions: The Digital Impact (Cambridge Intellectual Property and Information Law) can be the response, oh how comes? The new book you know. You are so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these guides have than the others?

Cindy Johnson:

As a student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Copyright Exceptions: The Digital Impact (Cambridge Intellectual Property and Information Law) can make you experience more interested to read.
