Key Indicators for Asia and the Pacific 2012

The Key Indicators for Asia and the Pacific 2012 (Key Indicators), the 43rd edition of this series, includes the latest available economic, financial, social, and environmental indicators for the 48 regional members of the Asian Development Bank. This publication aims to present the latest key statistics on development issues concerning the economies of Asia and the Pacific to a wide audience, including policy makers, development practitioners, government officials, researchers, students, and the general public. Part I of this issue of the Key Indicators is a special chapter--Green Urbanization in Asia. Parts II and III comprise of brief, non-technical analyses and statistical tables on the Millennium Development Goals and seven other themes. This year, the second edition of the Framework of Inclusive Growth Indicators, a special supplement to Key Indicators is also included. The statistical tables in this issue of the Key Indicators may also be downloaded in MS Excel format from this website or in user-specified format at SDBS Online.
