## **The Anticipated Sequel to Identity Theft Continues the Suspense and Intrigue!**

Moments after David Lebowitz is finally convinced that Yeshua is the Jewish Messiah, he is thrust into a soul-wrenching family tragedy. In deep anguish, he cries out to Heaven. His prayer is answered in a most unexpected and unusual way.

An angel named Ariel transports David back into his celestial classroom where history- shaping events unfold right in front of him. Through supernatural time travel, David comes face-to-face with first-century pioneers such as Apostles James and Paul, along with early disciples of Yeshua, like Priscilla and Aquila.

Before his eyes, a world-changing—and at times, shocking—history is being written. While David cannot change the past, he is able to unlearn horrific myths about Yeshua and the Jewish people—only to return to earth for the test of his life!

Experience history like never before and catch a glimpse of life for the first congregation of Jesus-followers in Jerusalem. You will also discover how the diabolical snares of anti-semitism and replacement theology sought to sabotage God's work in their midst.

**See God's unfolding plan to bring the Jewish people to salvation and release Yeshua's power in the Earth!**
