A Call For Cultural Symbiosis (Essay Series 52) Jüri Talvet

In a provocative and thoughtful essay, Estonia's preeminent poet and cultural critic, Jüri Talvet, investigates the role of culture in the postmodern world. Against the large background of historical values in western and world culture, Talvet inveighs against monologues and grand narratives launched by Western centers, envisaging instead a cultural symbiosis that would create a new and fertile dialogue between the centers, borders, and peripheries of the world, enrich cultural sensibility, and broaden concern for the Other.
