## **Creating a Tech Sabbath Habit** Bryan Brooks

The impact technology has on our lives today is incredible and offers amazing conveniences to our everyday lives. There is no doubt or debate about how technology can enhance life if it is used in the right way in moderation and with clear and concise boundaries around it. But the more technology enters our lives without boundaries, allowing it to rule and take top priority, the more easily we can find ourselves virtually imprisoned by it and not able to truly enjoy its benefits. Instead, we become its slave as it leads us down a road of isolation, stealing our rest and taking the place of the things in life that matter most to us: our families, our friends, and our relationship with God. In *Creating a Tech Sabbath Habit*, author Bryan Brooks shares his personal technology lifestyle transformation in a remarkable way. Through exposing details of his personal testimony of trials, combined with divulging his God-given convictions about the risks of technology overload, Bryan helps guide you through implementing your own tech Sabbath habit plan. Filled with commonsense approach and practical insight, *Creating a Tech Sabbath Habit* will help you learn the importance of unplugging your mind following God's command of rest to restore your spirit and will teach you how to lead a more balanced high-tech lifestyle without getting rid of the technology in it.

### From reader reviews:

#### **Evelyn White:**

What do you consider book? It is just for students since they're still students or that for all people in the world, what best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great in addition to important the book Creating a Tech Sabbath Habit. All type of book are you able to see on many methods. You can look for the internet options or other social media.

#### **Rocky Melvin:**

Are you kind of stressful person, only have 10 or maybe 15 minute in your day time to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short space of time to read it because all this time you only find e-book that need more time to be examine. Creating a Tech Sabbath Habit can be your answer since it can be read by you actually who have those short spare time problems.

#### **Heather Bly:**

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Creating a Tech Sabbath Habit can make you sense more interested to read.

#### **Mary Gonzalez:**

What is your hobby? Have you heard that question when you got students? We believe that that question was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person including reading or as reading through become their hobby. You have to know that reading is very important in addition to book as to be the issue. Book is important thing to add you knowledge, except your current teacher or lecturer. You find good news or update concerning something by book. Numerous books that can you choose to use be your object. One of them is actually Creating a Tech Sabbath Habit.
