**Guardavamo la luna (collana Scintille) (Italian Edition)** Fabio Barricalla

Brevità e densità sono le due caratteristiche principali dei 48 testi che formano "Guardavamo la luna" di Fabio Barricalla, dove la parola si fa contenitore di senso senza lasciarsi ingabbiare in schemi predefiniti, dall'haiku ai versi classici, piegando queste "gabbie" di volta in volta e cucendole su misura, fino a renderle indistinguibili dal testo.

Il risultato sono una serie di "epigrammi" scritti non sulla pietra ma sul tessuto stesso del mondo, dove il poeta scompare per lasciare posto ad una profonda malinconia e ad un altrettanto profondo stupore per gli scorci che il mondo stesso ha da offrire.

"Guardavamo la luna col binocolo / Ed era un volto stanco / Triste di donna"
