Loren Rhoads

**In the Wake of the Templars (2 Book Series)** Loren Rhoads

**From Book 1:**

Set in the wake of a galaxy-wide war and the destruction of a human empire, *The Dangerous Type* follows the awakening of one of the galaxy's most dangerous assassins and her quest for vengeance. Entombed for twenty years, Raena has been found and released.

Thallian has been on the lam for the last fifteen years. He's a wanted war criminal whose entire family has been hunted down and murdered for their role in the galaxy-wide genocide of the Templars. His name is the first on Raena's list, as he's the one that enslaved her, made her his assassin, and ultimately put her in a tomb. But Thallian is willing to risk everything--including his army of cloned sons--to capture her. Now it's a race to see who kills whom first.

Alternatively, Gavin has spent the last twenty years trying to forget about Raena, whom he once saved and then lost to Thallian. Raena's adopted sister, Ariel, has been running from the truth -- the one about Raena, about herself and Gavin -- and doesn't know if she'll be able to face either of them.

*The Dangerous Type* is a mix of military science fiction and an adventurous space opera that grabs you from the first pages and doesn't let go. Along with a supporting cast of smugglers, black market doctors, and other ne'er-do-wells sprawled across a galaxy brimming with alien life, *The Dangerous Type* is a fantastic beginning to Loren Rhoads's epic trilogy.
