**Teach Yourself VISUALLY Hand-Dyeing (Teach Yourself VISUALLY Consumer) Barbara Parry**

As the DIY trend continues, crafters are taking their skills to the next level and are looking for "what's next." Hand-dyeing is on the rise--giving crafters the freedom to create their own unique yarns and fibers to spin wholly original projects. This photo-intensive book covers everything from dyeing with Kool-Aid to more involved processes like working with acid dyes and hand-painting. Concealed wire binding allows the book to lay flat--perfect for undertaking projects with wet or dye-covered hands.

Barbara Parry (Shelburne, MA) is the founder and creative vision behind Foxfire Fiber & Designs. She produces her own yarn line from the wool of the sheep she raises on her farm in the Berkshire foothills, which is home to 70 sheep, two llamas, and two goats. The wool she produces is prized by knitters and handspinners and has won numerous awards. Barbara chronicles life on her farm in her blog "Sheep Gal: Notes from a Shelburne Shepherd" ([www.sheepgal.typepad.com](http://www.sheepgal.typepad.com)).
