## The Dollarization Debate

This book takes a global approach, with an emphasis on North and Latin America respectfully, by discussing one of today's most controversial topics in business; Dollarization. With the collapse of the former Soviet Union, and the formation of the Euro in Europe, many countries are debating whether or not a common currency is in their best interest. This intriguing volume brings together the leading participants in the current dollarization debates. Many advocate the notion of a common currency, while others feel that in doing so will create financial costs for all that take part, with the severity varying from country to country.
