Believe Megan Slayer

Long distance relationships are never easy, especially at Christmastime. But if Raylan and Chase can learn to trust each other and believe in the power of love, they'll not only get their Christmas wish this year, but for all the Christmases to come!

Raylan believed himself unworthy of love until he met Chase. Chase brought out Raylan's natural need to control and the power to force submission. But time and distance make having a relationship hard. Can Raylan prove to Chase they have what it takes for love to last through this Christmas and every other Christmas for the rest of their lives?

Chase found the muse for his songs in Raylan. Each time they touch, kiss, make love, music fills his soul. But working odd gigs to make ends meet while Raylan photographs rock and roll royalty isn't beneficial to Chase's creativity. Can he convince Raylan they're better off together than apart?
