Cartas de Carpentier (Spanish Edition) Roberto González Echevarría

Esta colección multidisciplinar de ensayos sobre temas tan diversos como historia, filosofía, derechos humanos y conflictos armados, literatura, teatro, danza y artes plásticas pretende contribuir a acercarnos a las múltiples y diversas culturas negroafricanas existentes, y combatir así los cada vez más altos muros erigidos por el racismo y los estereotipos con los que la mayoría de inmigrantes o solicitantes de asilo subsaharianos son recibidos en nuestro país. Este libro pretende igualmente servir de estímulo a otras investigadoras e investigadores para continuar ampliando el conocimiento de los múltiples aspectos de las culturas negroafricanas. Impartir alguna asignatura optativa, organizar congresos internacionales, realizar exposiciones de arte o conciertos de música africana una vez al año no son suficientes para que nuestra sociedad alcance un conocimiento suficiente sobre la gran diversidad de culturas que pueblan nuestro planeta. Con esta obra se quiere invitar a una seria reflexión sobre la carencia existente en nuestras aulas de asignaturas de historia, arte, sociología, filosofía, y otras disciplinas relativas al continente africano, y realizar un llamamiento para que se amplíe la oferta de las mismas en nuestros centros de estudio. La educación desde la escuela y la universidad debe ser la base principal desde donde poder adquirir el crecimiento y la madurez de una sociedad, cuyos valores humanos excluyan el racismo y la xenofobia en favor del aprendizaje y del encuentro con nuevas culturas.

From reader reviews:

Beverly Brown:

As people who live in the actual modest era should be change about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by reading books. It is a good choice for you but the problems coming to a person is you don't know what type you should start with. This Cartas de Carpentier (Spanish Edition) is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

James Daniels:

Now a day people who Living in the era everywhere everything reachable by interact with the internet and the resources inside it can be true or not require people to be aware of each data they get. How a lot more to be smart in getting any information nowadays? Of course the answer then is reading a book. Studying a book can help people out of this uncertainty Information specifically this Cartas de Carpentier (Spanish Edition) book since this book offers you rich information and knowledge. Of course the knowledge in this book hundred percent guarantees there is no doubt in it you may already know.

Harvey Lee:

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a expertise or any news even a huge concern. What people must be consider any time those information which is inside former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take Cartas de Carpentier (Spanish Edition) as your daily resource information.

Lorraine Michael:

Reading a publication can be one of a lot of activity that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new data. When you read a guide you will get new information due to the fact book is one of several ways to share the information as well as their idea. Second, studying a book will make you more imaginative. When you reading through a book especially fictional book the author will bring that you imagine the story how the personas do it anything. Third, you may share your knowledge to other people. When you read this Cartas de Carpentier (Spanish Edition), you are able to tells your family, friends and soon about yours e-book. Your knowledge can inspire different ones, make them reading a publication.
