Futurecast: What Today's Trends Mean for Tomorrow's World George Barna

The world and culture are changing at a pace beyond anything ever seen in history. But where will all these changes lead? We need accurate information that will give us a real sense of what's happening now—and what's about to happen—in key areas of our lives, including family life, technology, media and entertainment, attitudes and values, and religious beliefs and behavior. In *Futurecast*, bestselling author and renowned researcher George Barna presents a timely look at the world we're creating every day. He offers solid data to show the path society is on, a guide to what's coming next, and unparalleled insights into how we can prepare for the changes that lie ahead.
