## **La CIA, Camarena y Caro Quintero: La historia secreta (Spanish Edition)** J. Jesús Esquivel

Un libro explosivo que aporta las claves definitivas para esclarecer un suceso que definió la historia del narcotráfico en México: el asesinato del agente de la DEA Enrique Kiki Camarena, en febrero de 1985. Se trata de un caso emblemático que pone en evidencia la forma en que el crimen organizado adquirió un poder prácticamente ilimitado en nuestro país, gracias a la complicidad urdida con policías, militares y funcionarios públicos, algunos de ellos aún en activo.

Por medio de las confesiones de tres testigos que integraron las filas del entonces pujante cártel de Guadalajara, J. Jesús Esquivel ofrece un recuento inédito de las actividades criminales de capos de la talla de Ernesto Fonseca Carillo, Juan José Esparragoza, el Azul, Rafael Caro Quintero, señalados como coautores de la muerte de Camarena. Asimismo, da a conocer el testimonio completo del agente Héctor Berrellez - encargado de investigar el homicidio en la llamada Operación Leyenda-, quien confirma que la propia CIA habría estado detrás del crimen.

En tal contexto, a lo largo de estas páginas se revelan datos, nombres y momentos que explican las perspectivas de la trágica relación entre México y Estados Unidos, atrapada en las telarañas de la corrupción por la producción, el tráfico y el consumo de drogas. Así, no obstante que la investigación nos cuenta las tribulaciones de una sociedad tan lejana como la de los años ochenta, remite y desentraña un presente de mayor tormento.
