**La máquina de hacer dinero (Spanish Edition)** Carlos Torres, Ona Peña

Un álbum que trata, en formato de cómic y clave de humor pero con rigor histórico, las crisis económicas y financieras que han azotado al mundo desde la Gran Depresión de los años treinta del siglo XX hasta la reciente crisis de las hipotecas subprime. Una obra que afronta el reto de hacer accesible el complejo mundo de las finanzas a quienes cuentan con escasos conocimientos de economía y que nunca comprarían un libro convencional sobre la materia por considerarlo fuera de su alcance.
