Spa Bodywork

Anne Williams

Spa Bodywork Anne Williams

Spa Bodywork, Second Edition, covers everything the massage therapy student or practicing massage therapist needs to know to incorporate multi-layered and multi-textured spa treatments into their massage practice. While wet-room equipment and techniques are discussed, the book focuses on spa treatments that can be delivered in dry-room settings, such as private practice, massage clinics, or day spas—without the need for expensive equipment.

Featuring new treatments, new photos, new video clips that demonstrate techniques, and an expanded set of online tools, the Second Edition helps readers develop the skills they need to gain a competitive advantage when seeking work in the spa industry or adding spa treatments to their massage practice.

All treatments—from salt and sugar glows to body polish to stone massage—are covered in step-by-step detail, illustrated with photographs that show how to position the client and how to apply products such as seaweed, essential oils, and mud, and enhanced by exciting online video clips that bring techniques to life.

This is the tablet version which does not include access to the supplemental content mentioned in the text.

From reader reviews:

Eleanor Bender:

Inside other case, little men and women like to read book Spa Bodywork. You can choose the best book if you love reading a book. Providing we know about how is important a book Spa Bodywork. You can add know-how and of course you can around the world by the book. Absolutely right, simply because from book you can understand everything! From your country right up until foreign or abroad you will end up known. About simple issue until wonderful thing you can know that. In this era, we could open a book or even searching by internet unit. It is called e-book. You need to use it when you feel fed up to go to the library. Let's study.

Gregory Richards:

This Spa Bodywork are usually reliable for you who want to be described as a successful person, why. The reason of this Spa Bodywork can be one of the great books you must have is giving you more than just simple looking at food but feed you with information that perhaps will shock your prior knowledge. This book is usually handy, you can bring it just about everywhere and whenever your conditions in the e-book and printed versions. Beside that this Spa Bodywork giving you an enormous of experience for instance rich vocabulary, giving you tryout of critical thinking that we know it useful in your day activity. So , let's have it and luxuriate in reading.

Ronda Hagerty:

Do you like reading a book? Confuse to looking for your best book? Or your book seemed to be rare? Why so many problem for the book? But virtually any people feel that they enjoy for reading. Some people likes reading, not only science book but also novel and Spa Bodywork or even others sources were given understanding for you. After you know how the truly great a book, you feel need to read more and more. Science e-book was created for teacher as well as students especially. Those books are helping them to put their knowledge. In additional case, beside science e-book, any other book likes Spa Bodywork to make your spare time far more colorful. Many types of book like here.

Ingrid Baumbach:

What is your hobby? Have you heard in which question when you got scholars? We believe that that concern was given by teacher to the students. Many kinds of hobby, All people has different hobby. Therefore you know that little person just like reading or as studying become their hobby. You must know that reading is very important and book as to be the issue. Book is important thing to add you knowledge, except your own teacher or lecturer. You will find good news or update in relation to something by book. Amount types of books that can you go onto be your object. One of them is niagra Spa Bodywork.
