The Mighty and the Almighty

Madeleine Albright

The Mighty and the Almighty Madeleine Albright

Does America, as George W. Bush has proclaimed, have a special mission, derived from God, to bring liberty and democracy to the world? How much influence does the Christian right have over U.S. foreign policy? And how should America deal with violent Islamist extremists?

Madeleine Albright, the former secretary of state and bestselling author of *Madam Secretary*, offers a thoughtful and often surprising look at the role of religion in shaping America's approach to the world. Drawing upon her experiences while in office and her own deepest beliefs about morality, the United States, and the present state of world affairs, a woman noted for plain speaking offers her thoughts about the most controversial topics of our time.
