Islam Folktales The Cave Spiders of Prophet Muhammad SAW Muham Taqra

Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam. Believed by Muslims to be a prophet and messenger of Allah SWT (God), Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. Muslims ummah consider him to have restored the unaltered original monotheistic faith of Prophet Adam, Prophet Abraham, Prophet Moses, Prophet Jesus, and other prophets.

Born approximately in 570 CE in the Arabian city of Mecca, Prophet Muhammad SAW was orphaned at an early age; he was raised under the care of his paternal uncle Abu Talib. After his childhood prophet Muhammad primarily worked as a merchant. Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer; later, at age 40, he reported at this spot, that he was visited by Angel Gabriel (Jibril) and received his first revelation from Allah SWT The Creator of Universe. Three years after this event Prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One", that complete "surrender/submission" (lit. islam) to Him is the only way (din) acceptable to God, and that he was a prophet and messenger of God, similar to the other prophets in Islam.

I am a spider who is higher in rank than other spiders. With all humility, if all the spiders in this world were put in one hand and I was put in the other I would outweigh them in superiority. I am not one to make false claims and show-off, I am simply stating facts. I do not think that I need to introduce myself to the reader, for I am sure you understand that I am the spider of the cave that the Messenger of Allah (peace be upon him) hid in. I am the one, who was responsible for the Prophet's deliverance. I am the one, who Allah sent to protect him.

My web is very flimsy and light and the slightest breeze can blow it away. However, despite the weakness of my web, I managed to ward off the iron swords of the atheists that went out in pursuit of the Prophet, and moreover, I was able to defeat them! The outcome of the conflict between the spiders' weak silk and the iron of the swords was the defeat of iron. My house is considered a parable of weakness, "Verily, the frailest (weakest) of houses is the spider's house." I sat in my house protecting the noble house of Islam and guarding the Prophet of Allah, Muhammad ibn ' Abdullah (peace be upon him)..
