On Directing: Interviews with Directors

The profession of directing is barely a century old. *On Directing* considers the position of the director in theater and performance today. What is a director? How do they begin work on a play or performance? What methods are used in rehearsal? Is the director an enabler, a collaborator or dictator? As we enter the new millennium, is the very concept of directing under increasing threat from changes in thinking and practice? The full diversity of today's approaches to directing are explored through a series of interviews with leading contemporary practitioners. *On Directing* is a landmark book about the director's craft.
