The Storm

Frederick Buechner

The Storm Frederick Buechner

The *Boston Globe* calls Frederick Buechner "one of our finest writers." *USA Today* says he's "one of our most original storytellers." Now this acclaimed author gives us his most beguiling novel yet--a magical tale of love, betrayal, and redemption inspired by Shakespeare's *The Tempest*.

On wealthy Plantation Island in South Florida, an old man waits, Kenzie Maxwell is a writer, a raconteur, a rascal, an altruist, a mystic--a charismatic figure who enjoys life with his rich third wife but muses daily on the sins of his past. Two decades ago, Kenzie had to leave New York because of a scandal. He'd been a volunteer at a runaway shelter, and he'd fallen in love with a seventeen-year-old girl--a girl who died while giving birth to Kenzie's daughter. His older brother, Dalton, a lawyer and board member at the shelter, decided to quell the rumors by releasing Kenzie's note of apology to the press. Kenzie's reputation--and the girl's--were destroyed. He has never forgiven his brother.

Now it's the eve of Kenzie's seventieth birthday, and a storm is brewing. His beloved daughter, Bree--the child of the scandal--is coming down from New York for his birthday party. But his brother Dalton is coming down, too, to do some legal work for the island's ill-tempered matriarch. Aided and abetted by Dalton's happy-go-lucky stepson, a loutish gardener, a New Age windsurfer, a bumbling bishop, and a bona fide tempest, Kenzie must somehow contrive to reconcile with his brother--and make peace with his past.

Infused with humanity, and informed by faith. *The Storm* is Frederick Buechner's most captivating novel since *Godric*--a richly satisfying contemporary story of fragmented families and love's many mysteries that will move you, make you laugh, and fill you with wonder.
