## **Too Much Coffee Man Omnibus** Shannon Wheeler

This semi-autobiographical, hyper-intellectual, high-concept comic appeals to both inside and outside the comic book world. Even Henry Rollins says TCMC is "the only comic I would really pay attention to, because I like the idea. 'Too Much Coffee Man' has a lot to say. He's a great apocalyptic philosopher for our very troubled times." Holy crap. That's Henry Rollins. The *TMCM Omnibus*, at over 500 pages, was a pain in the ass to put together. It was solicited and canceled multiple times- becoming one of the most anticipated books around. Many editors were fired and a few of them went insane. Wheeler said, "I stopped going to conventions and slept in my closet because too many people asked me about the *TMCM Omnibus*." Wheeler is once again making public appearances. The book is real, it is in stores, weighs as much as a small child, and it's getting attention. *Too Much Coffee Man Omnibus* collects five books previously published by Dark Horse:

- *TMCM: Parade of Tirade*
- *TMCM: Guide for the Perplexed*
- *TMCM: Amusing Musings*
- *TMCM: How To Be Happy*
- *Screw Heaven, When I Die I'm Going to Mars*
- as well as a number of unpublished brand new Too Much Coffee Man stories.
